## 2009 Sandburg Cross Country Team—

Heading into this season it was a sure thing that we were not considered to have a chance to qualify for the state meet or accomplish any of the things that we accomplished. We were never ranked in the Illinois Coaches Poll, and we were never ranked in the top 20 of the dyestat rankings. This never bothered us. We never wavered. Even when we were placing 19<sup>th</sup> in the Peoria Invitational we still believed in our ability to place in the top five in the sectional. Sure enough, when the time came we needed to continue to believe in ourselves. During the sectional meet our scoring runners passed over 115 runners from the mile to the finish. Their belief never faltered and it got them a third place finish and a state qualification. What does this story teach us? If we dedicate ourselves to a goal, work as hard as we can, and believe in ourselves until the end, we can do anything. There is no stopping someone who has a sure belief and desire in him/her self. I hope the seniors take this lesson with them on to greater things in life, and I hope the rest of the team applies this lesson to the rest of their high school experience. Perhaps this is the one thing I'd like you to take away from this season: **believe in yourself because you have a lot to believe in.**

To be sure, we had a phenomenal season. But along the way, as we gathered our trophies and medals we also gathered something else. I'm talking about something much more substantial: *character*. Memories and friendships built the foundation for our true success this year. Although our list of accomplishments honors our team's season, the intangible "victories" will last a lifetime. This team fostered ideals of integrity and teamwork.

As you reflect on your season, it is important to note the members of our team who we say goodbye to tonight. Or, if you are a senior, it is important to reflect proudly on the commitment and leadership you've lent to this team for the past few years. Seniors **Jon Altman, Mike Brower, Jonathon Buhl, John Burch, Matt Butzen, Louis Debella, Miquel Equina, Ron Evans, John Horn, Sean Keane, Thomas Kohs, Chris Koutavas, Nick Leyva, Kurt Marks, Kyle Meyer, Paul Oscai, Jeff Perino, Sterling Reed, Ryan Sawyers, and Anthony Tyrpin** leave a major gap in our team. Their legacy will not be forgotten. We owe a debt of gratitude for their commitment and dedication.

To the Seniors: thank you for all that you've done for Sandburg Cross Country. I hope that you got as much out of these past four years as I have. I hope that you never forget all that you've discovered about yourself while being a Sandburg Cross Country runner. You are prepared to do anything you want to do in life. If you tackle life in the same manner that you've approached cross country then you will be successful. As alumni, be sure to support Sandburg, return to visit, write letters, and keep in touch.

To the rest of the team: as you reflect on the seniors, perhaps it is an opportune moment to consider what legacy you will leave behind. When your time comes for graduation in one, two, or three years, what will you be remembered for? Will you be a part of building this program to the heights that we dream of? Will you be a positive influence on those who will come after you? Every one of you—freshmen included—now become the leaders on this team. Next season there will be runners who need your guidance. Next season it will be your responsibility to continue to build this program and honor the tradition.

Our goal is simple for 2010: to reach our highest potential. I happen to think that our highest potential is to be **one of the best teams in the state of Illinois**. If you do not agree then you will be left in the dust of those who do believe in this quest. We cannot wait. Everyone must feel a sense of urgency. Each day that passes is a day in which you are either working toward your goal or moving away from it. It's time to go to work. We can only get there if you continue to believe in yourself and your teammates. In order to turn our dreams into a reality, we will need to work hard. Everyone will need to run over the cold winter months with the team. Everyone will need to commit themselves to track. Everyone will need to burn miles through the summer months. Everyone will need to be bold and courageous once we reach our opportunities next season. Will you meet the challenge that is set before you? Thank you for another wonderful season. I have enjoyed the journey.
